1. Introduction

Thank you for your interest in a career at Eurojust. These guidelines will give you an overview of the types of positions Eurojust offers and how our selection procedures are conducted. Please read these guidelines carefully before submitting your application, to make sure that you include all the necessary information for your application to be considered.

1.1. About Eurojust

Eurojust offers a modern, dynamic and stimulating work environment. Our mission is to strengthen and facilitate the coordination of investigations of serious and organised cross-border crime in the European Union, contributing to bringing criminals to justice and creating a safer Europe for its citizens.

To achieve our mission, Eurojust employs more than 230 staff members from across EU Member States who provide a range of technical, legal, operational and administrative support. Eurojust seeks highly qualified, flexible, results-oriented and committed individuals to join our workforce.

Our staff is our most important asset and Eurojust strives to retain qualified employees through an attractive benefits package, training and development opportunities and providing an appealing and ethical workplace.

1.2. Types of position at Eurojust

Eurojust employs two different types of staff:

- **Temporary agents** classified in two functions groups, Administrators (AD) and Assistants (AST), depending on the nature of the duties involved.

- **Contract agents** classified in four functions groups, I, II, III and IV, depending on the nature of the duties involved.

The usual duration of contract is 5 years for a temporary agent and 3 years for a contract agent. Both may be renewed once for another fixed period and if renewed for a second time, the contract will be for an indefinite period. Other durations of contract may be offered depending on the needs of Eurojust.

The probationary period for temporary agents and for contract agents with a contract duration of at least one year is nine months.

Eurojust does not employ any permanent officials.

Eurojust also offers the possibility for practitioners from national authorities to work at Eurojust as **Seconded National Experts**. For more information on Seconded National Experts, see Chapter 7.

2. Eligibility criteria – who can apply?

Temporary and contract agent positions at Eurojust are open to applicants who satisfy the eligibility criteria below on the closing date for applications:
Applicant Guidelines

- Be a national of one of the Member States of the European Union, unless an exception is authorised by the Administrative Director, and enjoy full rights as a citizen;
- Have fulfilled any obligations imposed by the laws concerning military service;
- Produce appropriate character references as to suitability for the performance of duties (certificate of good character, see Annex II);
- Be physically fit to perform duties
  (Any offer of employment is therefore conditional on the candidate completing a medical examination carried out by the Eurojust doctor before taking up duties); and
- Produce evidence of a thorough knowledge (C1) of one of the languages of the EU and of a satisfactory knowledge (B2) of another, to the extent necessary for the performance of duties (Based on the Common European Framework for Reference, see Annex I).

Please note that these formal requirements are essential to be considered for a position at Eurojust. **If you do not fulfil one or more of the eligibility criteria at the closing date, your application will be disqualified.**

2.1. Languages

To be eligible for a post at Eurojust, you must produce evidence of a thorough knowledge (C1) of one of the languages of the EU\(^1\) and of a satisfactory knowledge (B2) of another. All candidates must demonstrate an ability to communicate in English, as this is the main language of internal communication at Eurojust.

You are required to declare your language abilities in your application and the required level must be reached in all categories (reading, writing, listening and speaking). At the interview you will need to provide supporting documents demonstrating knowledge of those languages. Those documents can be secondary/post-secondary/university diplomas or language certificates included in the EPSO list of recognised qualifications. If you are unable to provide sufficient evidence, your language skills will be tested in the interview.

2.2. Qualifications

For each vacancy, you must also provide evidence that you have the required level of education and, if applicable, the number of years of professional experience defined in the vacancy notice. These requirements need to be fulfilled on the closing date for applications.

For temporary agent AST positions and for contract agents in function groups I, II and III, the level of required education is secondary school or post-secondary school.

For temporary agent AD positions and for contract agents in function group IV, you are required to hold a university degree (Bachelor’s or equivalent) with a duration of at least 3 years.

---

\(^1\)The official languages of the EU are Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, Irish, German, Greek, Hungarian, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovenian, Spanish, and Swedish.
Applicant Guidelines

You can find an indicative list of the level of qualifications issued in each EU Member State on the EPSO website: [http://europa.eu/epso/doc/diplomes-fortheweb_en.pdf](http://europa.eu/epso/doc/diplomes-fortheweb_en.pdf). This list is not exhaustive and should be taken as a guide only.

Only qualifications issued in EU Member States and qualifications recognised as equivalent by a body designated officially for that purpose in one of the EU Member States will be accepted. **At the time of application, you must provide a certificate of equivalency issued by an EU Member State to enable the Selection Board to accurately assess the level of qualification.**

2.3. Professional experience

Professional experience is counted from the date on which you acquired the qualification required for the post. The minimum years of work experience are set out in the Staff Regulations and corresponding implementing provisions and are an absolute requirement. If you have fewer years of professional experience than required in the vacancy notice, your application will be ineligible.

You must be able to provide documents to prove your work experience which clearly show start and end dates and indicate whether the employment was full or part time. Part-time work will be taken into account in proportion to the percentage of full-time hours worked. Any experience indicated in your application but for which you do not provide supporting documents will not be counted.

For periods of self-employment, you must provide evidence of the type and duration of work, for example in the form of service contracts, accounting statements, tax declarations, social security records, etc.

Periods of education or training are not considered professional experience. Completed PhD studies will be counted as experience up to a maximum of three years. Unpaid internships are considered professional experience up to a maximum of 6 months in total.

Statutory maternity leave, paternity leave and compulsory military or alternative civil service are not deducted from the total professional experience.

Any given time period is only counted once and Eurojust does not take into account work experience exceeding 100% FTE (40 hours) per week.

3. How to apply

If you wish to apply for a position at Eurojust, you must apply to a vacancy on the eRecruitment site: [https://recruitment.eurojust.europa.eu](https://recruitment.eurojust.europa.eu).

**Eurojust does not accept applications submitted by any other means (e.g. email or post), or any speculative applications.**

When you visit the eRecruitment site, you will be invited to create an applicant profile, where you can add information on your qualifications, work experience and professional referees. Kindly note that the information provided in your profile is important, as it may impact your eligibility when applying for vacancies. By completing your applicant profile, you can save your information and do not need to re-enter it when submitting future applications.
3.1. Completing your application

After creating your applicant profile, you will be able to apply for any open vacancies at Eurojust. All sections of the application must be completed in English. Mandatory fields are marked with a *. Please fill out the dates of your studies and employment carefully, as these will be checked against your documents during the document check (see section 3.3).

You can save your application at any stage and return to it later by logging into your applicant profile and selecting "my applications → continue".

For each period of professional experience, you should briefly outline the main responsibilities of your role that relate to the vacancy you are applying for in the "description of duties" field. In the motivation box, you should explain your motivation for applying to Eurojust and for the specific position and why you think you are suited to the role.

You should provide contact details for at least two professional referees who can attest to your character and work experience. Eurojust will not contact your referees without your consent.

Please note that Eurojust does not accept any additional documents (e.g. curriculum vitae, letters of recommendation) and the Selection Board’s shortlisting decision is based solely on the information provided in your application.

In order to be considered, applications must be received by 23:59:59 CET on the closing date indicated in the vacancy notice. We advise you to submit your application well ahead of the deadline, in order to avoid potential problems due to heavy traffic on the website.

You will receive an automatic email acknowledging receipt of your application.

If you make a mistake or wish to withdraw your application for any reason, you can withdraw submitted applications and re-submit by logging into your applicant profile and selecting "my applications".

3.2. Status of your application

You can view the current status of your application at any time by logging into your applicant profile and selecting "my applications".

All correspondence concerning your application will take place by email, so please ensure that the email address associated with your applicant account is correct and that you check your email account regularly.

For assistance using eRecruitment, please consult the eRecruitment User Guide.

3.3. Documents you need

On the day of your interview, we will carry out a document check to confirm your eligibility for the position you have applied for. You must bring the following documents with you on the day of your interview:

- An original ID card or passport confirming your EU nationality and a copy of the ID;
Applicant Guidelines

- Legible copies of the **diplomas or certificates** issued at the end of your studies (secondary or post-secondary for function groups AST and FG I-III, university degree for function groups AD and FG IV). The documents must show the start and end date of your studies.
  - If your diploma was issued outside the EU, you must provide a certificate of equivalency from an EU Member State to recruitment@eurojust.europa.eu by the closing date for applications.
    - If you do not provide this certificate by the closing date, Eurojust will not be able to assess your eligibility. More information is available here.
- Copies of **contracts, employment certificates** or other official documents confirming each period of employment mentioned in your application form. If you were self-employed, you must provide evidence of the type and duration of work, for example in the form of service contracts, accounting statements, etc.
  - Eurojust must be able to confirm from your documents the precise start and end date of every position, whether it was remunerated or unpaid and whether it was full or part-time (if part-time, the percentage worked must be indicated).
- A copy of the **latest payslip** from your current place of employment, if you are currently employed.
- Any **language certificates** you have obtained.

If you do not have any of these documents or if the documents you have do not contain the specific dates or working time required, please request these from your previous employer(s) now.

If Eurojust is not able to confirm your education and years of experience from the documents provided on the day of interview, you may be disqualified from the selection procedure.

The copies you provide will be retained in Eurojust’s files and will not be returned to you.

If you are successful following a selection procedure and Eurojust issues an offer of employment to you, you may be asked to bring original versions of the copies listed above at the time you take up duties.

4. **Selection procedure**

A Selection Board composed of at least three members is appointed by the Administrative Director for each selection procedure at Eurojust.

Applicants are strictly forbidden to make any contact with the members of the Selection Board, either directly or indirectly. Any infringement of this rule will lead to disqualification from the selection procedure.

Only applications validly submitted through eRecruitment by the deadline will be examined by the Selection Board.

4.1. **Shortlisting**

The Selection Board will assess all eligible applications against the shortlisting criteria defined in the vacancy notice. Only the information provided in your eRecruitment application will be considered.
On the basis of this assessment, the Selection Board will draw up the shortlist of candidates to be invited for interview, test and, where applicable, assessment centre.

To safeguard a realistic timeframe for interviews and to manage costs, as a general rule a maximum of six applicants will be invited for interview for one vacant post. In order to ensure competition, the minimum number of candidates to be invited for interview is two.

If, at any stage in the procedure, it is established that the information provided in your application is incorrect, you will be disqualified from the selection.

4.2. **Interview and test**

If you are shortlisted for interview, you will receive an invitation by email indicating the date, time and duration of your interview and test. Interviews can only be rescheduled in exceptional circumstances with the agreement of the Selection Board. You are entitled to reimbursement of travel expenses in line with Eurojust's reimbursement policy, available on our website.

During the interview and test, you will be assessed against the competencies indicated the vacancy notice. The interview will be held in English, but your knowledge of other languages may also be tested. The written tests are marked anonymously.

After the interview, the Selection Board scores the technical and behavioural competencies and calculates the total mark for each candidate.

4.3. **Reserve list**

Candidates who are considered to be suitable will be placed in alphabetical order on the reserve list, approved by the Administrative Director.

The validity of the reserve list is indicated in the vacancy notice. The reserve list may be used when recruiting for similar positions in the future. In such cases, candidates may be invited to a second, informal interview.

Please note that inclusion on a reserve list does not guarantee employment at Eurojust.

4.4. **Security clearance**

If you are offered a position at Eurojust, you will need to apply for a national “certificate of good character”. Annex II contains an indication of the certificates of good character available in each Member State.

The certificate of good character must be provided to Eurojust prior to the signature of the employment contract. Eurojust reserves the right not to award an employment contract if you do not provide this certificate.

However, the national certificate of good character does not substitute a valid full Personal Security Clearance Certificate (PSCC) that must be obtained at the level indicated in the vacancy notice. A PSCC is a certificate issued by a competent authority establishing that an individual is security cleared. Applicants who currently hold a valid and positive security clearance at the level indicated...
in the vacancy notice do not need to obtain a new one and should provide a copy of their existing clearance to Eurojust. Eurojust may at any time terminate the employment contract if the result of the security screening is not positive and the necessary clearance level is not granted/extended.

4.5. Fit for duties

Prior to taking up duties, you will also be required to undergo a medical examination with the Eurojust doctor to establish that you are physically fit to perform your duties.

The medical examination will take place in The Hague and travel expenses will be reimbursed in accordance with Eurojust’s reimbursement policy.

5. Appeal procedures

Applicants who consider that their interests have been prejudiced by any decision related to the selection procedure can take the following actions:

Request reconsideration of application
Within 10 calendar days of the notification of the decision taken by the Selection Board, you may submit a request for review in writing to recruitment@eurojust.europa.eu, stating the reasons for your request. The Selection Board will reconsider your application and notify you of its decision within 30 calendar days of receipt of the request.

Appeal procedure
Within 3 months of the date of the notification of the decision taken by the Appointing Authority, you may lodge a complaint under Article 90(2) of the Staff Regulations, addressed to the Administrative Director at Eurojust’s registered postal address or by email to recruitment@eurojust.europa.eu.

Within 3 months of the date of the notification of the decision or of outcome of your complaint, you may submit an appeal in accordance with Article 91 of the Staff Regulations to:

General Court
Court of Justice of the European Union
Rue du Fort Niedergrünewald
L-2925 Luxembourg

If you consider there has been maladministration, you may also make a complaint to the European Ombudsman within 2 years of becoming aware of the facts on which the complaint is based, at the following address:

European Ombudsman
1 Avenue du President Robert Schuman – BP 403
F-67001 Strasbourg Cedex 4
6. **Conditions of engagement**

The working and contractual conditions of temporary and contract agents at Eurojust are based on the [Staff Regulations and the Conditions of Employment of Other Servants of the European Union](https://eur-lex.europa.eu). The place of employment is The Hague, the Netherlands.

Successful candidates may be recruited in grade AST 1-4 or AD 5-12 (for temporary agents) or Function Groups I, II, III, or IV (for contract agents).

Temporary agents will be assigned to Step 1 or Step 2 of their grade, according to the length of their professional experience. Contract agents will be assigned to different grades, according to the length of their professional experience. The grading of successful candidates will be established according to the applicable Eurojust implementing rules to the Staff Regulations.

7. **Seconded National Experts**

Practitioners from national authorities can work at Eurojust as Seconded National Experts. Seconded National Experts add value by bringing their expertise in specialised areas to Eurojust and taking the knowledge and experience acquired during the secondment back to their home authorities, fostering cooperation between Eurojust and judicial authorities in the Member States.

You can apply to work at Eurojust as a Seconded National Expert if you are employed by a national, regional or local public administration in an EU Member State and have worked for your current employer for at least 12 months. Prior authorisation by your employer is an essential pre-condition for secondment to Eurojust.

As a Seconded National Expert, you do not receive a salary from Eurojust, as you remain in the service of your employer in the Member State throughout the period of secondment and continue to be paid by that employer. Eurojust may provide a subsistence allowance and travel expenses. Eurojust does not provide health insurance for SNEs.

Applications for Seconded National Expert positions must be submitted via the Permanent Representation of the seconding Member State to applications@eurojust.europa.eu using the Eurojust SNE Application Form, available on our website.

For more information see the implementing arrangements on Seconded National Experts at Eurojust.

8. **Protection of personal data**

The data you provide in your application will be processed for the purpose of the selection procedure and in connection with any subsequent possibility of employment with Eurojust. Your personal data will only be accessed by persons who need to do so for this purpose. Personal data collected for a Eurojust selection procedure will in no case be transmitted to any third party, with the exception of external consultants or facilitators of assessment centres engaged by Eurojust for the selection procedure. Your account and all its related data will be kept in our system for a period of two years after its creation date. Policy on the financial contribution to travel and subsistence expenses incurred to participate in a selection procedure or a pre-employment medical examination organised by Eurojust

Article 1 – Scope

A contribution to the travel and subsistence expenses of candidates invited to a selection procedure or a pre-employment medical examination organised by Eurojust shall be made in accordance with the provisions set out in this policy.

Article 2 – General provisions

1. No contribution towards travel expenses will be made when the distance between the place of residence stated in the candidate’s application form and the location of the interview/test/pre-employment medical exam is 150km or less.

2. Where the distance between the place of residence stated in the candidate’s application form and the location of the interview/test/pre-employment medical exam is more than 150km, reimbursement of travel costs incurred will be made in line with the provisions in Article 3.

3. Any travel expenses, cancellation fees or change fees incurred due to annulment or rescheduling of a selection procedure/pre-employment medical examination by Eurojust shall be borne by Eurojust. Eurojust will not reimburse costs incurred due to rescheduling at the request of the candidate.

Article 3 – Travel expenses

1. The nearest airport or train station to the place of residence indicated in the candidate’s application form is deemed to be the place of departure.

2. Where a candidate travels by train, reimbursement of travel expenses shall be based on the cost of a second-class rail fare from the place of departure to the arrival train station in The Hague (or the location of the interview/test/pre-employment medical exam if this is not The Hague) on production of the tickets. The cost of seat reservations and any supplements for fast trains may be reimbursed on presentation of supporting documents.

3. Where a candidate travels by air, reimbursement shall be based on the most economical air fare on production of the ticket and boarding passes. Reimbursement will be based on the actual expenses up to the applicable general flight ceiling for each EU Member State published on the Eurojust website. The cost of public transport to/from the departure airport and between the arrival airport and a train station in The Hague (or the location of the interview/test/pre-employment medical exam if this is not The Hague) shall be reimbursed.

4. Candidates travelling from outside the EU may claim a contribution towards their travel expenses, based on production of tickets and boarding passes, up to the highest general flight ceiling applicable to EU Member States.
5. Should the place of residence indicated in the application form differ from the place of departure, reimbursement shall be made up to the Member State ceiling applicable to the place of residence.

6. Local transport costs (e.g. tram or bus) at the place of departure or to travel between the arrival train/bus station in The Hague and Eurojust (or the location of the interview/test/pre-employment medical exam if this is not The Hague) shall not be reimbursed.

7. Taxi fares shall not be reimbursed.

**Article 4 – Use of a motor vehicle**

1. Where a candidate chooses to travel to Eurojust by private vehicle, the reimbursement shall be based on an allowance per kilometre:
   - 151 – 1000 km: 0.12 EUR/km
   - 1001 – 10000 km: 0.08 EUR/km

2. No additional contribution to travel expenses by motor vehicle shall be granted e.g. vehicle rental fees, parking tickets, toll roads or other costs related to the use of the vehicle.

3. Where the journey is made by motor vehicle, the contribution towards travel expenses for a return journey shall not exceed the applicable Member State ceiling, the minimum cost of either a rail ticket in 2nd class from the place of departure.

**Article 5 – Accommodation allowance**

1. A flat-rate accommodation allowance of EUR 100 shall be granted when the distance between the place of residence in the candidate’s application form and the location of the selection procedure/interview/medical exam is more than 150km and when an overnight stay is required due to the incompatibility between the time of the interview/test or medical exam and transport timetables.

2. The accommodation allowance shall be paid on presentation of the relevant hotel bill.

**Article 6 – Subsistence allowance**

1. A flat-rate subsistence allowance of EUR 25 is granted where the distance between the place of residence indicated in the candidate’s application form and the location of the selection procedure/interview/medical exam is more than 50km but the candidate does not receive the flat-rate accommodation allowance.

2. The subsistence allowance is only granted on the day(s) that the interview or medical examination is held.

**Article 7 – Final provisions**

1. If a candidate decides to extend their stay for personal reasons, Eurojust will reimburse the travel costs incurred, provided that those costs are not higher than the costs that would have been incurred if the candidate had travelled only for the selection procedure/medical exam. In such cases, Eurojust will not pay any additional accommodation allowance or subsistence for costs incurred due to delays in the return travel.
2. In order to receive any of the financial contributions mentioned in this policy, the candidate must fill in and return the travel reimbursement form, together with the supporting documents, within 30 days after the completion of the travels.

3. Incomplete forms, forms files missing supporting documents or claims submitted after the deadline will not be processed.

4. Amounts due under the above rules shall be paid by bank transfer in Euros. Any non-Euro amounts for expenses incurred by the candidate shall be converted to Euro by Eurojust by means of the monthly conversion rate fixed by the European Commission. Any bank charges or exchange rate differences shall be borne by the candidate.
