Strengthening collaboration in the fight against migrant smuggling in Europe

The new **Focus Group for Prosecutors on Migrant Smuggling** supported by Eurojust brings together all concerned actors in the security and criminal justice chain.

Key activities include:

- ▶ Sharing best practices from landmark migrant smuggling investigations
- ▶ Analysing trends and new developments in the operational tactics of organised crime groups active in migrant smuggling
- ▶ Studying the impact of shifts in migrant smuggling routes
- ▶ Gathering input from practitioners on current challenges and opportunities in judicial cooperation related to this cross-border crime
