DATA PROTECTION NOTICE

Prosecuting THB with EMPACT webinar – online event

As Eurojust collects and further processes personal data, it is subject to *Regulation (EU) 2018/1725 of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC* ('the Regulation').

The following information is provided as per Articles 15 of the Regulation.

1. Context of the processing activity and Controller

On 13 October 2026, Eurojust will be hosting the Prosecuting THB with EMPACT webinar as an online event ('webinar'). The webinar will take place on the Webex platform. Please find here the data protection notice for the Webex platform. The event will be recorded and later published on the Eurojust YouTube channel in an edited format, with extracts used on other social media channels of Eurojust (LinkedIn, Bluesky, Facebook, Instagram and X).

Processing of personal data for the purpose of the organisation of the event is under the responsibility of the controller, the Head of Corporate Communications Unit (CCU) of Eurojust. CCU is also responsible for the event recording. The Head of the CCU can be reached at the address DP_comms@eurojust.europa.eu.

2. What personal information do we collect, for what purpose, under which legal bases and through which technical means?

Purpose of the processing

The purpose of the processing is to enable participation in the Prosecuting THB with EMPACT webinar and its distribution to the widest possible audience.

Types of personal data

The following **categories of personal data** are processed in the context of the above mentioned processing activity:

For speakers joining in Webex:

Name, Surname, job title, image (as shared in Webex) and voice (as shared in Webex). Speakers are requested to consent to processing of their personal data in a dedicated consent form. The dedicated form also includes expected further distribution of the recording (see details below under 'For the recording'.

For participants joining in Webex:

- **Registration to the event through the STOVA platform**

Invitees will be requested to register through the STOVA platform administered by the Eurojust Events, Logistics and Security Unit. Please consult the data protection notice for STOVA. During the registration, participants will be requested to share:

i. First Name
ii. Last Name
iii. Function and organisation

iv. Email address

This personal data will be used by CCU in order to share the Webex videolink and practical/technical information with registered participants ahead of the event, and to ensure that participants joining the Webex videocall have correctly registered. The data collected will be deleted after the event, at the latest within 5 working days after the end of the event.

- **Registered participants joining the Webex videocall**

At the beginning of the Webex video call, the participants are requested to consider that the Webex feed will be recorded and protect their personal data by not sharing video or audio (e.g. by keeping cameras and microphones off). For more information please see the data protection notice on Eurojust's use of Webex.

For the recording:

Further, the event will be recorded and published on the Eurojust YouTube channel in an edited format, with extracts used on other social media channels of Eurojust (LinkedIn, Bluesky, Facebook, Instagram and X). The privacy policy of YouTube can be found here, privacy policies of Facebook, LinkedIn, X (Twitter), Instagram, BlueSky, Flickr as linked. The recording may be further used in on the Eurojust intranet and public website, in corporate publications (e.g. Annual Report, presentations for visitors and meeting participants, including national seminars, e-learning products) and shared via email to external partners, especially the organisations represented by speakers at the event), published on the European Commission's audiovisual repository, the websites and intranets of ERA, CEPOL, other EU institutions, bodies and agencies, or websites and intranets of national judicial authorities and international organisations.

Legal basis

The processing of personal data is necessary to organise the webinar online, aiming to raise awareness of Eurojust partners and the broader public on efforts to fight against trafficking in human beings and of the relevance of EMPACT. The processing will be based on Article 5 (1) (a) of the Regulation, more specifically Article 2(1) of Regulation (EU) 2018/1727 ('the Eurojust Regulation').

The processing of pictures and videos by CCU is subject to Article 5(1)(d) of the Regulation. The pictures and video shoots will be only processed on the basis of your consent. Please note that you have the right to withdraw your consent at any time. To do that, please contact the Corporate Communications Unit via the following e-mail address: DP_comms@eurojust.europa.eu, and we will do what is technically and organisationally possible to accomplish your request as soon as possible.

Technical means

The webinar will take place on the Webex platform. Please find here the data protection notice for the Webex platform.

The event will be will be recorded and published on the Eurojust YouTube channel in an edited format. Recording and editing is done by a contractor of Eurojust under the framework contract for audiovisual services.

3. Who has access to your personal data and to whom is it disclosed?

The list of registered participants on STOVA will be transmitted by the Events, Logistics and Security Unit to the Corporate Communications Unit. Access to the personal data will not be shared with any other persons, either within or outside of Eurojust.

The video recording of the event as well as still images selected from the event are available to the general public on YouTube with extracts used on other social media channels of Eurojust (LinkedIn, Bluesky,

Facebook, Instagram and X). The recording may be further used in on the Eurojust intranet and public website, in corporate publications (e.g. Annual Report, presentations for visitors and meeting participants, including national seminars, e-learning products) and shared via email to external partners, especially the organisations represented by speakers at the event), published on the European Commission's audiovisual repository, the websites and intranets of ERA, CEPOL, other EU institutions, bodies and agencies, or websites and intranets of national judicial authorities and international organisations.. The recording may further processed as described in the Data protection notice regarding the taking & processing of photos & audiovisual materials by CCU. This includes storage internally by the Corporate Communications Unit in a secure file storage, with access granted to duly authorised members of this unit.

4. How do we protect and safeguard your information?

All IT tools at Eurojust are developed according to a standard set of security standards and are thoroughly tested accordingly, to ensure robustness and reliability.

5. How can you verify, modify or delete your information?

You have the right to access your personal data and to relevant information concerning how we use your personal data. You have the right to request rectification of your personal data. You have the right to ask that we delete your personal data or restrict its use. Where applicable, you have the right to object to our processing of your personal data, on grounds relating to your particular situation. Where applicable, you the right to your data portability. We will consider your request, take a decision, and communicate it to you. For more information, please see Articles 14 to 21, 23 and 24 of the Regulation. Please note that in some cases restrictions under Article 25 of the Regulation may apply (see College Decision 2020-04 of 15 July 2020 on internal rules concerning restrictions of certain data subjects' rights in relation to the processing of personal data in the framework of activities carried out by Eurojust, available in the Eurojust website here).

To exercise your rights regarding the processing of personal data, please contact DP_comms@eurojust.europa.eu.

6. How long do we keep your personal data?

Personal data of participants registered on STOVA will be deleted within 5 working days after the end of the event.

For the recording, the deadlines are described in Data protection notice regarding the taking & processing of photos & audiovisual materials by CCU.

7. Contact information

In case of queries regarding the processing of personal data you may also contact the Data Protection Officer of the Eurojust (dpo@eurojust.europa.eu).

8. Recourse

You have the right to lodge a complaint to the European Data Protection Supervisor via the email edps@edps.europa.eu or https://edps.europa.eu/data-protection/our-role-supervisor/complaints_en if you consider that your rights under the Regulation have been infringed as a result of the processing of your personal data.
