

Call for Proposals for Financial Assistance to Joint Investigation Teams (2026/6)

Objectives and scope

1. Providing technical and financial support to joint investigation teams (JITs) is part of Eurojust's mission to stimulate and improve the coordination of investigations and prosecutions in cross-border criminal cases, as provided by Articles 2 and 4 of Regulation (EU) 2018/1727 of the European Parliament and of the Council of 14 November 2018 on the European Union Agency for Criminal Justice Cooperation (Eurojust), and replacing and repealing Council Decision 2002/187/JHA¹ (the Eurojust Regulation). According to Article 48 of the Eurojust Regulation, the Secretariat of the Network for Joint Investigation Teams is located at Eurojust. This action grant will enhance the use of JITs by ensuring that financial and other organisational constraints linked to the cross-border nature of the case do not hinder the establishment and operational needs of a JIT. A further benefit comes from the ability of Eurojust, through its involvement in JITs and funding applications, to gain valuable information on the operation, needs and effectiveness of JITs as a whole.
2. Eurojust will financially support JITs with a maximum total amount of **EUR 400 000** between **2 October 2026 and 31 December 2026**.
3. To comply with the co-financing principle, Eurojust will reimburse 95% of the total eligible costs under this call for proposals. This means that the amount stipulated in the Award Decision will be reimbursed fully only in the event that this amount is less than or equal to 95% of the total eligible costs. An amount of at least 5% of the total eligible costs shall be borne by the national authorities of the Member States.
4. Through these grants, support may be provided to the following actions:
 - meetings of the JIT, and/or participation in investigative measures carried out in the territory of another State;
 - the JIT's evaluation or actions in relation to investigative or judicial procedures directly deriving from the JIT in which its result is to be used;
 - interpretation during activities of the JIT, including during investigative measures, and translation of evidentiary material or procedural or case-related documents;
 - cross-border transportation of seized items, evidentiary material, procedural or case-related documents;
 - specialist expertise costs incurred for the purpose of the JIT;
 - purchase of low-value equipment² to be used for the purpose of JIT activities; and

¹ OJ L 295, 21.11.2018, p. 138 (as amended by Regulation (EU) 2022/838, OJ L 148, 31.5.2022, p. 1–5; and Regulation (EU) 2023/2131, OJ L, 11.10.2023, p. 1–14).

² "Low value equipment" is to be understood as defined in the applicable Terms and Conditions.

- hire of IT/electronic equipment and/or licences and software for the purposes of JIT activities.
5. Eligible costs related to these actions shall be the following:

 - transportation costs for transferring items;
 - specialist expertise costs;
 - low-value equipment purchase costs;
 - IT/electronic equipment/licences/software hire costs; and
 - indirect costs (7%).
6. Travel and accommodation costs shall be reimbursed on the basis of the following unit costs, in accordance with the principles set out in Article 184 of the EU Financial Rules⁴:

³ Domestic travel costs (i.e. travel costs incurred by persons involved in JIT activities within their own State) may only be reimbursed if related to a JIT activity with the actual participation of the other participating State(s). Such costs are eligible when the travel distance exceeds 200 km per one-way journey. No reimbursement will be made for any travel under 200 km per one-way journey.

(*) For the purposes of applying travel unit costs, both the point of departure and final destination shall be taken into account. (**) For the purposes of calculating this unit cost, one car shall be deemed to carry up to three passengers. As such, the unit cost of EUR 180 shall be reimbursed on the basis of multiples of three passengers (with four to six passengers being reimbursed EUR 360, etc.). (***) All domestic return flights on the territory of EU Member State, non-EU countries and overseas countries shall be reimbursed on the basis of one unit rate EUR 168. Remark: in case the means of transport are combined (e.g. flight for one trip and train for the return trip), half of each unit cost shall be reimbursed.	

7. The total amount requested for purchase of IT/electronic low-value equipment shall not exceed EUR 7,500 per application. The purchase cost shall be between EUR 75 and EUR 1 000 (excluding VAT costs) per equipment item.
8. Eurojust does not seek to finance the entirety of a JIT, but only those costs arising from the cross-border dimension of the investigation⁵.
9. Any financing is necessarily subject to the limited availability of funds. To enable reasonable distribution and achieve the objectives of JITs funding described above, a ceiling of EUR 50 000 has been set for each application.
10. Actions of JITs for which financial assistance is sought should take place between **2 October 2026 and 31 December 2026**.
11. The action period may be extended for an additional three months through a request for an extension submitted to the JITs Network Secretariat. The request must be submitted via Eurojust's [Joint Investigation Teams Portal and electronic application system](#) at least two working days⁶ before the end date of the action period indicated in the Award Decision. The submission of a request for an extension precludes the submission of a new funding application for the same action period (to prevent double funding). The deadline for submission of a request for an extension within this Call is **16 December 2026**.

⁵ For example, the following JIT costs are excluded: staff expenditure, insurance for seconded members of the JIT, expenditure on communication interception, expenditure arising from seized assets (except transport costs), and expenditure on office accommodation.

⁶ Working days are defined as Monday to Friday except for public holidays adopted pursuant to Article 61 of the Staff Regulations of Officials of the European Union and Articles 16 and 91 of the Conditions of Employment of Other Servants of the European Union (CEOS), laid down by Council Regulation (EEC, Euratom, ECSC) No 259/68.
